

## **Clover Moore Independent Team**

### **Constitution**

#### **Name**

The name shall be Clover Moore Independent Team which may be abbreviated as Clover Moore Independents.

#### **Objectives**

To seek and support the election of independent candidates of integrity and principle to the Council of the City of Sydney who are committed to working proactively and constructively to achieve the following objectives:

- Environmental, social, economic and cultural sustainability for the City of Sydney as both a City of villages and Australia's leading global city;
- A Council which is open, transparent and accountable, and willing to involve its communities in decisions that affect them;
- Prudent management of the City of Sydney's finances to ensure the continuation of vital services to City communities and continued protection and enhancement of the City's facilities and public domain;
- Protection and enhancement of the amenity and living environment of the city through planning controls that provide certainty in development, protect residential and urban amenity, preserve and enhance the character of local communities, and ensure the continued vitality of our commercial, retail and entertainment precincts;
- Recognising and valuing Sydney's social and cultural diversity; and
- Protecting, valuing and promoting Sydney's heritage, history and culture.

#### **Membership**

Membership is open to all persons who have a demonstrated commitment to achieving the Team's objectives and are not members of any other registered political party.
