Would like to be moved from Upper Hunter electoral district to Bathurst.

For the past 19 years when my family & I vote we have no idea who the Upper Hunter Candidates are. We may get Brochures at the time but we never hear their names mentioned on our local radio or any Community flyers etc.

Would love to vote for the people who helped and supported us during the drought & fire devastation.

Also would be nice to actually contribute to the local Rydstone, Kondos, Mudgee & Surrounds. Voices when new & old projects come up for discussion.

Hoping we can one day vote as a local & not absentee.

Thankyou
