To whom it may concern -

I am strongly opposing the proposal to transfer Lord Howe Island from the Port Macquarie electoral district to Sydney.

I am a permanent Uki resident of 44 years and the strong economic connection with Port Macquarie has served us well over the years along with our ONLY shipping service. Brighly the Distance Education from Camden Haven, our Police force from the Mid Nth Coast area, and all our suppliers from hardware, motor-vehicles, food, furniture + all our livelihood.

Our small fragile environment that is World Heritage + National Parks would be swallowed up in a larger Sydney electorate.

Conceded.
