Communications

Advertising

The 2017 Local Government by-election advertising campaign for Wollondilly Council - East Ward by-election consisted of council specific statutory advertisements and non-statutory advertising. Non-statutory advertising included information about registering as a third-party campaigner or candidate under the *Election Funding, Expenditure and Disclosures Act 1981* (EFED Act).

Prior to the election the NSWEC consulted with Wollondilly Council to determine in which local newspapers the statutory advertisements, required under the legislation, were to be placed and the frequency of those placements.

Items covered in the statutory advertisements included:

- enrolment on residential and non-residential rolls
- nomination information
- candidates and polling place information
- election results.

Reproductions of these advertisements, and details of their placement in newspapers, can be viewed at Appendices B-D.

Registrations

Registration of candidates closed on Wednesday, 27 September 2017. Registration of third-party campaigners closed on Friday 20 October 2017.

Four candidates were registered under the EFED Act for the by-election. Four candidates appointed an official agent as required under the EFED Act.

There were no third-party campaigners registered for the by-election. Following the declaration of the polls, we advised the elected candidate of his obligations under the EFED Act as an elected member. The elected member was designated by the NSWEC as his own official agent (as an elected member) and has an obligation to disclose on an annual basis (during his term as a councillor) any political donations made or received and electoral expenditure incurred.

Nominations

Nominations closed at noon on Wednesday, 27 September 2017.

A total of four nominations were received by close of nominations.

The draw for ballot paper position, held at 2.00pm on 27 September 2017, was conducted by the Returning Officer at the Returning Officer's office.

For a nomination to be accepted by the Returning Officer, candidates were required to complete a nomination form and a Candidate Information Sheet. Candidates were also required to submit a statistics form and pay a nomination deposit of \$125 to the Returning Officer.

The nomination deposit is refunded to candidates if:

- a candidate is elected or receives at least four per cent of the total first preference votes;
- in a group, any one of the group is elected or receives at least four per cent of the total first preference votes; or
- the election is uncontested.

Rolls

Residential roll

In New South Wales, enrolment and voting are compulsory at all Federal, State and Local Government elections. The New South Wales electoral roll is managed by the NSWEC in conjunction with the Australian Electoral Commission.

Legislation provides that for Local Government elections the electoral roll closes on the 40th day before the day of the election. Any person who was on the roll when it closed at 6.00pm on Monday, 18 September 2017 was required to vote.

There were 13,430 electors on the residential electoral roll for Wollondilly Council - East Ward. This was an increase of 508 electors from the number on the roll for the Local Government Ordinary Elections in September 2016.

Non-residential roll

The non-residential roll is comprised of the roll of non-residential electors and the roll of occupiers and rate-paying lessees. The non-residential roll lapses after each election. Inclusion on the non-residential roll of electors is available to electors who pay rates to the council on property they own but do not occupy, as well as people who occupy or lease property. Under the *Local Government Act* 1993, the council's General Manager is responsible for compiling and maintaining the non-residential roll of electors.

There were no electors on the non-residential roll for Wollondilly Council - East Ward for the 2017 by-election.

Voting

Method of voting

Section 285 *Local Government Act 1993* prescribes that the voting system in a contested election of a councillor or councillors is to be:

- optional preferential if the number of councillors to be elected is one; or
- proportional representation if the number of councillors to be elected is two or more.

For this by-election, optional preferential was the method used. A reproduction of the ballot paper is shown at Appendix E.

Absent voting

Unlike State and Federal elections, absent voting is not available at NSW Local Government elections for electors who are outside their council area or ward on election day.

Early voting

Pre-poll voting

Pre-poll voting opened at 8.00am on Monday, 16 October 2017 and closed on Friday, 27 October 2017. The pre-poll locations were:

- Appin Pre-Poll, 40 Sportsground Parade, Appin NSW 2560
- Wollondilly RO Office, 60 Railside Avenue, Bargo NSW 2574

Postal voting

Electors who are registered as a Registered General Postal Voter for NSW State Elections are not required to register again for Local Government elections and were therefore automatically sent postal vote ballot papers.

Applications for postal voters opened on nomination day with electors able to obtain applications from the NSWEC website, the NSWEC head office or the Returning Officer's office. Applications for postal voting closed on Monday, 23 October 2017.

In order to be admitted to the count postal votes needed to be received by the Returning Officer by 6.00pm on Monday, 30 October 2017. Of 566 postal votes issued, 437 were accepted, 66 were rejected and 63 were not scrutinised because they were either returned too late or not returned at all.

Election day voting

Polling places

Securing appropriate premises for polling places can be difficult. The NSWEC does not own facilities within council areas. The pool of available rental premises is limited by the short-term nature of the lease and the NSWEC's space, accessibility, location and workplace health and safety requirements.

The NSWEC provided council with a draft list of proposed polling places to be used at this election. Feedback from the council was taken into consideration prior to the final selection of polling places.

As far as practically possible, the NSWEC aimed to provide accessible and appropriately sited polling places for the by-election. Information was provided to assist electors with mobility issues or other disabilities to locate the most suitable polling place. This access information was provided on the NSWEC's website and by NSWEC staff.

There were 10 polling places across the Wollondilly Council - East Ward area on election day. Of those, two were fully wheelchair accessible and eight were accessible with assistance. The NSWEC website provided details of which polling places were accessible with assistance and the restrictions on accessibility where relevant. A list of polling places and their accessibility rating can be viewed at Appendix F.

Polling places were open to electors from 8.00am to 6.00pm on election day.

Counting the votes

On election night all polling places conducted an initial sort and count of first preference votes. At the Returning Officer's office, declaration (i.e. postal and pre-poll) votes are opened, sorted and first preferences are counted. The count results were placed on the NSWEC website on election night from 6.00pm onwards.

The successful candidate was declared elected by the Returning Officer at 3.00pm on Wednesday, 1 November 2017, following the statutory 24-hour period required for any recount requests.

Once the declaration of the election result had been signed by the Returning Officer, copies of the declaration were provided to the Electoral Commissioner, the Council's General Manager and the Chief Executives of both the Office of Local Government and Local Government NSW. In addition, the Returning Officer advised all candidates by phone, email or SMS that the election results were available on the NSWEC website. Election results were also published in local newspapers.

Non-voters

Failure to vote

Under electoral legislation, the NSWEC is required to issue 'failure to vote' notices to those electors whose names were not marked off the electoral roll as having voted or as having provided a valid excuse.

All electoral rolls marked at polling places and in the Returning Officer's office were scanned after election day to create a list of non-voters. The penalty for failing to vote without a valid reason at a Local Government election is \$55.00.

For this election, 2,357 penalty notices were issued within the three-month period after election day.²

² A penalty notice is withdrawn if an elector provides a valid excuse for not voting. At the date of this report the enforcement process for failure-to-vote penalty notices for this by-election had not yet been completed.

SERVICES TO CANDIDATES AND POLITICAL PARTIES

Candidate information

A candidate information presentation was available on the NSWEC website to assist prospective candidates in their preparation for the election.

The presentation provided prospective candidates with the opportunity to familiarise themselves with the candidate process. Major topics covered in the presentation include:

- the election timetable
- candidate eligibility criteria and how to nominate
- groups of candidates and political party names on ballot papers
- campaigning (election advertising, 'how-to-vote' material and public scrutiny of candidates)
- complaints handling by NSWEC
- voting and counting ballot papers
- scrutineers
- election funding obligations.

The NSWEC Handbook for Parties, Groups, Candidates and Scrutineers, which outlines relevant electoral processes and procedures for local government elections, was also made available to stakeholders.

Information about election processes and election campaign finance rules was also provided to candidates, political parties and others who made telephone or email enquiries.

A fact sheet for local government by-elections was published on the website to support candidates and other political participants understand the requirements for managing political donations and electoral expenditure.

How-to-vote material

All electoral material to be distributed by candidates or their representatives on election day must be registered by the NSWEC. Registration does not apply to posters, whether they are displayed before or on election day, nor is it required for material to be distributed before election day.

Candidates are required to provide an application form and a copy of each item to be registered. The NSWEC provided candidates with guidelines to assist them to meet the registration requirements. A candidate help line was also set up by the NSWEC to aid candidates.

ELECTORAL STAFFING

Returning Officer

The Returning Officer had a number of responsibilities central to the running of the election, including:

- set up and decommissioning of a temporary office
- training of office staff and polling place managers
- making arrangements for voting at polling places
- issuing and processing postal and pre-poll votes
- dealing with enquiries and complaints from candidates and the public
- processing candidate nominations
- counting of votes and declaring the result of the election.

The Returning Officer's office for the Wollondilly Council - East Ward by-election was located at 60 Railside Avenue, Bargo NSW 2574.

Returning Officer Support Officer

A Returning Officer Support Officer was appointed in order to provide support to the Returning Officer on electoral matters and procedures in the conduct of the election.

Staffing

Staffing is a significant cost for elections and, as such, the NSWEC recognises the importance of accurately predicting the number of required staff while taking into consideration the associated costs without compromising the level of service to electors.

The level of staffing required for the by-election varied during the different phases of the election. Staff were employed to undertake a variety of tasks including:

- office setup
- packing materials for each polling place
- registration, distribution and receipt of postal votes
- · operation of pre-poll voting
- counting of the votes
- office pack-up.

All polling places have a minimum of two staff, one of whom is the polling place manager.

ELECTION COSTS

Councils are required to meet the costs of conducting their elections. While the NSW Government does not provide direct funding for local government elections, some NSWEC services required for local government elections, such as enrolment and non-voting services, are provided by the NSWEC at no cost. It should also be noted that services provided to candidates, political parties and others regarding the requirements of the EFED Act are provided by the NSWEC at no cost.

Key cost drivers for the election included:

- election officials wages
- office accommodation for the Returning Officer
- information and technology support
- polling places
- number of electors in council area
- newspaper and elector brochure advertising
- printing/materials for polling places.

The final cost of NSWEC conducting the election was \$143,582 (GST exclusive).

This was made up of election staffing \$84,586; venues \$12,132; ballot papers and electoral rolls \$3,845; other miscellaneous items \$33,618 and election management fee \$9,401. The cost per elector was \$10.69.
