Registrations

Registration of candidates closed on Wednesday, 16 January 2019. Registration of third-party campaigners closed on Friday, 8 February 2019.

Eight candidates were registered under the EF Act for the by-election.

There were no third-party campaigners registered for the by-election. Following the declaration of the polls, we advised the elected candidate of their obligations under the EF Act as an elected member. The elected member was designated by the NSW Electoral Commission as their own official agent (as an elected member) and has an obligation to disclose on an annual basis (during their term as a councillor) any political donations made or received and electoral expenditure incurred.

Nominations

Nominations closed at noon on Monday, 7 January 2019.

A total of nine nominations were received by close of nominations. One nomination was rejected.

The draw for ballot paper position, held at 2pm on Wednesday, 16 January 2019, was conducted by the returning officer at the returning officer's office.

For a nomination to be accepted by the returning officer, candidates were required to complete a nomination form and a Candidate Information Sheet. Candidates were also required to pay a nomination deposit of \$125 to the returning officer.

The nomination deposit is refunded to candidates if:

- a candidate is elected or receives at least four per cent of the total first preference votes;
- in a group, any one of the group is elected or receives at least four per cent of the total first preference votes; or
- the election is uncontested.

Rolls

Residential roll

In New South Wales, enrolment and voting are compulsory at all Federal, State and Local Government elections. The New South Wales electoral roll is managed by the NSW Electoral Commission in conjunction with the Australian Electoral Commission.

Legislation provides that for Local Government elections the electoral roll closes on the 40th day before the day of the election. Any person who was on the roll when it closed at 6pm on Monday, 7 January 2019 was required to vote. Rolls are closed to allow sufficient time to print and distribute the authorised rolls and for nomination purposes. Eligible citizens can enrol and vote on election day.

There were 16,782 electors on the residential electoral roll for Griffith City Council. This was a decrease of 79 electors from the number on the roll for the local government elections in September 2016.

Non-residential roll

The non-residential roll is comprised of the roll of non-residential electors and the roll of occupiers and rate-paying lessees. The non-residential roll lapses after each election. Inclusion on the non-residential roll of electors is available to electors who pay rates to the council on property they own but do not occupy, as well as people who occupy or lease property. Under the *Local Government Act 1993*, the council's General Manager is responsible for compiling and maintaining the non-residential roll of electors.

There was one elector on the non-residential roll for Griffith City Council for the 2018 by-election.

Voting

Method of voting

Section 285 *Local Government Act 1993* prescribes that the voting system in a contested election of a councillor or councillors is to be:

- optional preferential if the number of councillors to be elected is one; or
- proportional representation if the number of councillors to be elected is two or more.

For this by-election, optional preferential was the method used. A reproduction of the ballot paper is shown at Appendix H.

Absent voting

Unlike State and Federal elections, absent voting is not available at NSW Local Government elections for electors who are outside their council area or ward on election day.

Early voting

Pre-poll voting

Pre-poll voting opened at 8am on Monday, 4 February 2019 and closed on Friday, 15 February 2019. The pre-poll locations were at:

- Griffith returning officer's office, 81 Kooyoo Street, Griffith NSW 2680
- Wiradjuri pre-polling centre – 38-42 Jondaryan Avenue, Griffith NSW 2680

Postal voting

Electors who are registered as a Registered General Postal Voter for NSW State elections are not required to register again for local government elections and were therefore automatically sent postal vote ballot papers.

Applications for postal voters opened on nomination day with electors able to obtain applications from the NSW Electoral Commission website, the NSW Electoral Commission head office or the returning officer's office. Applications for postal voting closed on Monday, 11 February 2019.

In order to be admitted to the count postal votes needed to be received by the returning officer by 6pm on Monday, 18 February 2019. Of 190 postal votes issued, 107 were accepted, 43 were rejected and 40 were not scrutinised because they were either returned too late or not returned at all.

Declared Institutions

The Electoral Commissioner has the authority to appoint hospitals, nursing homes, retirement villages and like facilities as declared institutions, to assist the residents and/or patients of these facilities who are unable to attend a polling place on election day.

Election officials visited declared institutions from the Monday until Wednesday before election day.

A total of three institutions were visited:

- Bupa Griffith - 67-71 Erskine Road, Griffith NSW 2680
- Griffith Base Hospital - Noorebar Avenue, Griffith NSW 2680
- The Pioneers Lodge Hostel & Nursing Home - 15-23 Sidlow Road, Griffith NSW 2680

Election day voting

Polling places

Securing appropriate premises for polling places can be difficult. The NSW Electoral Commission does not own facilities within council areas. The pool of available rental premises is limited by the short-term nature of the lease and the NSW Electoral Commission's space, accessibility, location and workplace health and safety requirements.

The NSW Electoral Commission provided council with a draft list of proposed polling places to be used at this election. Feedback from the council was taken into consideration prior to the final selection of polling places.

As far as practically possible, the NSW Electoral Commission aimed to provide accessible and appropriately sited polling places for the by-election. Information was provided to assist electors with mobility issues or other disabilities to locate the most suitable polling place. This access information was provided on the NSW Electoral Commission's website and by NSW Electoral Commission staff.

There were nine polling places for the Griffith City Council area on election day:

| Venue name | Address | Accessibility |
|---------------------|--|------------------|
| Beelbangera Public | 765 Rankins Springs Road, Beelbangera NSW 2680 | Assisted access |
| Griffith Nth Public | Boonah Street, Griffith NSW 2680 | Assisted access |
| Griffith PCYC | 5 Olympic Street, Griffith NSW 2680 | Assisted access |
| Griffith Public | Coolah Street, Griffith NSW 2680 | Assisted access |
| Hanwood Public | School Street, Hanwood NSW 2680 | Fully accessible |
| Lake Wyangan Public | Boorga Road, Lake Wyangan NSW 2680 | Assisted access |

| Venue name | Address | Accessibility |
|----------------|---------------------------------|-----------------|
| Wade High | Poole Street, Griffith NSW 2680 | Assisted access |
| Yenda Public | Curran Road, Yenda NSW 2681 | Assisted access |
| Yoogali Public | East Street, Yoogali NSW 2680 | Assisted access |

All polling places were open to electors from 8am to 6pm on election day.

Counting the votes

On election night all polling places conducted an initial sort and count of first preference votes. At the returning officer's office, declaration (i.e. postal, pre-poll and declared institution) votes are opened, sorted and first preferences are counted. The count results were placed on the NSW Electoral Commission website on election night from 6pm onwards.

The successful candidate was declared elected by the returning officer at 3pm on Thursday, 21 February 2019, following the statutory 24-hour period required for any recount requests.

Once the declaration of the election result had been signed by the returning officer, copies of the declaration were provided to the Electoral Commissioner, the Council's General Manager and the Chief Executives of both the Office of Local Government and Local Government NSW. In addition, the returning officer advised all candidates by phone, email or SMS that the election results were available on the NSW Electoral Commission website. Election results were also published in local newspapers.

Non-voters

Failure to vote

Under electoral legislation, the NSW Electoral Commission is required to issue 'failure to vote' notices to those electors whose names were not marked off the electoral roll as having voted or as having provided a valid reason for not voting.

All electoral rolls marked at polling places and in the returning officer's office were scanned after election day to create a list of non-voters. The penalty for failing to vote without a valid reason at a Local Government election is \$55.00.

For this election, 2,043 penalty notices were issued within the three-month period after election day.²

² A penalty notice is withdrawn if an elector provides a valid excuse for not voting. At the date of this report the enforcement process for failure-to-vote penalty notices for this by-election had not yet been completed.

Services to candidates and political parties

Candidate information

A candidate information presentation was available on the NSW Electoral Commission website to assist prospective candidates in their preparation for the election.

The presentation provided prospective candidates with the opportunity to familiarise themselves with the candidate process. Major topics covered in the presentation include:

- the election timetable
- candidate eligibility criteria and how to nominate
- campaigning (election advertising, 'how-to-vote' material and public scrutiny of candidates)
- complaints handling by NSW Electoral Commission
- voting and counting ballot papers
- scrutineers
- election funding obligations.

The NSW Electoral Commission's *Handbook for Parties, Groups, Candidates and Scrutineers*, which outlines relevant electoral processes and procedures for local government elections, was also made available to stakeholders.

Information about election processes and election campaign finance rules was also provided to candidates, political parties and others who made telephone or email enquiries.

A fact sheet for local government by-elections was published on the website to support candidates and other political participants understand the requirements for managing political donations and electoral expenditure.

How-to-vote material

All electoral material to be distributed by candidates or their representatives on election day must be registered by the NSW Electoral Commission. Registration does not apply to posters, whether they are displayed before or on election day, nor is it required for material to be distributed before election day.

Candidates are required to provide an application form and a copy of each item to be registered. The NSW Electoral Commission provided candidates with guidelines to assist them to meet the registration requirements. A candidate help line was also set up by the NSW Electoral Commission to aid candidates.

Electoral staffing

Returning officer

The returning officer had a number of responsibilities central to the running of the election, including:

- set up and decommissioning of a temporary office
- training of office staff and polling place managers
- making arrangements for voting at polling places and declared institutions
- issuing and processing postal and pre-poll votes
- dealing with enquiries and complaints from candidates and the public
- processing candidate nominations
- counting of votes and declaring the result of the election.

The returning officer's office for the Griffith City Council by-election was located at 81 Kooyoo Street, Griffith NSW 2680

Returning officer support officer

A returning officer support officer was appointed in order to provide support to the returning officer on electoral matters and procedures in the conduct of the election.

Election day staffing

Staffing is a significant cost for elections and, as such, the NSW Electoral Commission recognises the importance of accurately predicting the number of staff required while taking into consideration the associated costs without compromising the level of service to electors.

The level of staffing required for the by-election varied during the different phases of the election. Staff were employed to undertake a variety of tasks including:

- office setup
- packing materials for each polling place
- registration, distribution and receipt of postal votes
- operation of pre-poll voting
- visits to declared institutions
- counting of the votes
- office pack-up.

All polling places have a minimum of two staff, one of whom is the polling place manager.

Election costs

Councils are required to meet the costs of conducting their elections. While the NSW Government does not provide direct funding for local government elections, some NSW Electoral Commission services required for local government elections, such as enrolment and non-voting services, are provided by the NSW Electoral Commission at no cost. It should also be noted that services provided to candidates, political parties and others regarding the requirements of the EF Act are provided by the NSW Electoral Commission at no cost.

Key cost drivers for the election included:

- election officials wages
- office accommodation for the returning officer
- information and technology support
- polling places
- number of electors in council area
- newspaper advertising and elector brochure production and distribution.
- printing/materials for polling places.

The final cost of NSW Electoral Commission conducting the election was \$124,493 (GST exclusive).

This was made up of election staffing \$74,491; venues \$3,480; logistics \$4,607; ballot papers and electoral rolls \$1,327; other miscellaneous items \$28,771 and election management fee \$11,817. The cost per elector was \$7.42.
