Dear Secretary,

RE: Electorate of Cootamundra

I am writing to you to advise of this Councils strong support for the proposed boundary for the electorate of Cootamundra as outlined in the report of the electoral distribution panel.

Narrandera Shire has been an integral part of the electorate of Cootamundra for many years and supports your proposal which will keep it in that electorate. This it did by resolving unanimously at its latest meeting (Minute 20/315).

The proposed boundaries reflect the community of interest, capacity for effective representation and the alignment of local government and electoral district boundaries.

[REDACTED]

Yours sincerely
