

Please provide additional information and supporting documentation as attachments.

Currently the postcode I live in is broken up into 3 different electoral districts.

Barden Ridge - Holsworthy

Menai, Bongor - Heathcote

Albion Park & Illawong - Miranda.

It would make much more sense to have all of the postcode 2234 in the one electoral district as the issues we have there can be addressed ~~at~~ at an area level, not all over the place as it is now.

Thank you
